HAND TRUCKS

THE STORY BEHIND FOLDING TRUCKS

Our latest STANLEY® Folding Trucks combine the best of both worlds. Strong steel tubing ensures durability and load capacity. The rugged black load plate is cast from aluminum to keep the weight down. Solid TPR wheels run smoothly, quietly, and can't spring a leak. Best of all: every truck folds down to easily fit in the trunk of any car.

FOLDING HAND TRUCKS

2-IN-1 FOLDING TRUCK

- Easy-to-Use Versatile Utility Cart. Strong and durable design.
- Made of strong and durable steel. Takes seconds to open and close.
- Major plastic stress points are made of durable nylon; other plastic pieces are polypropelene.
- The hand truck and platform cart in one design makes sure you can use it almost everywhere.
