**FEET**  
• Level adjusting, skid resistant

A close-up, black and white photograph of a hand truck's frame. The frame is made of dark metal. A horizontal bar across the top features the 'CAT' logo in white, bold, sans-serif capital letters. The logo is positioned on the left side of the bar. Below the bar, a vertical post runs down the center. At the bottom, a grey metal base is visible, which has two circular holes and a central cutout. The background is plain white.
